

WILL YOU STRIVE FOR JUSTICE
AND PEACE AMONG ALL PEOPLE,
AND RESPECT THE DIGNITY OF
EVERY HUMAN LIFE?

*Baptismal Covenant,
1979 BCP, pg. 305*

I WILL, WITH GOD'S HELP.

We live in a culture where unborn babies, the elderly, and the disabled, are disregarded or viewed as burdens. The sacredness of life is applied only to certain people and only when they are wanted. Did you know that since abortion was legalized in 1973, approximately 58 million babies have been aborted? Are you aware 7 states have legalized assisted suicide?*

We know from Holy Scriptures that God values life, and His Word commands us to protect it.

*And what does the Lord require of you? To act justly, love mercy, and walk humbly with your God.
Micah 6:8*

Therefore, Anglicans for Life envisions every person in every church doing one thing every day to uphold the sacredness of life.

There is profound confusion in the world of concerning life, but the Bible uniquely equips the Church to be the voice of certainty for people facing difficult life choices. Anglicans for Life's mission is to empower that voice with education, ministry, and advocacy to protect the vulnerable, defend the fatherless, and plead for the widow. We offer a variety of ways to get involved:

- Volunteer as a life leader in your congregation
- Share God's love with those in need of healing
- Join AFL's Prayer Team
- Provide financial support to life-affirming ministries

Imagine thousands of people taking action and praying for women considering abortion or for those struggling with end-of-life decisions.

The question remains: Will you, with God's help, strive for justice and peace among all people, and respect the dignity of human life?
