People: *We praise You for their influence and their care for us; and we entrust them to Your perfect care.*

### **PRAYER FOR MINISTRY (minister and congregation, kneeling)**

Heavenly Father, You have blessed us with the gift of family life, so that we may learn to love and care for others. Thank You for the ministry of mothers. Please bless them with the warmth of Your presence, encouraging them in all their responsibilities by a deep knowledge of Your love. Make their homes a haven of peace, built on the foundation of Your Son, Jesus Christ, that their children may be brought up in the sure knowledge of His love and sacrifice. In His Name we pray. Amen
