

Dear Prayer Warriors,

9/25/2019

It may still be very warm here in Pittsburgh, but writing this prayer calendar reminds me of what is coming—Thanksgiving, Advent, and, of course, January 2019, with all its many events. Looking at the last prayer calendar of the year always gives me an incentive to step up our planning—after all, our busy season is only three calendar sheets away! I hope looking at this calendar will give you more incentive as well—to be praying for Life!

Please be in prayer for us as we plan the January events. We are going to have great speakers, awesome workshops, and wonderful opportunities to speak out for Life! Please pray for the preparations and that the Holy Spirit would guide us in all that we say and do.

There is a special youth component to January's activities. This year we will be presenting our Abundant Life curriculum—a youth program that discusses everything from abstinence to pornography, all with the goal of rooting our young people in their identity in Christ—at the Summit 2019. Please continue to pray for the development of the curriculum and that churches and youth leaders would be inspired to use Abundant Life with their youth. Please also be in prayer for our first ever ySummit, a youth event that takes place the evening before the March for Life, which seeks to inspire our youth to stand for Life. Pray for the students attending the event and the youth leaders and volunteers who are leading them. Please also be praying that God would work wonders through these young people and would use them to bring real change to our culture.

Here are the event information and dates. To learn more or to register, please visit AFL's website: www.anglicansforlife.org.

Blessings,
