Society says...

"Physician-assisted suicide allows people to die on their own terms, with dignity." "Leftover in-vitro fertilized embryos will be destroyed, so why not use them for research?"

"Abstinence isn't 'cool.'

"My body, my choice."

"Abortion is a safe and legal solution for an unexpected pregnancy."

Scripture says...

"Stand up in the presence of the aged, show respect for the elderly, and revere your God. I am the Lord."

"Before I formed you in the womb, I knew you, and before you were born I consecrated you."

Put to death, therefore whatever belongs to your earthly nature, sexual immorality, impurity, lust, evil desires, and greed, which is idolatry."

"So God created mankind in His own image, in the image of God He created them; male and female He created them."

What do you say?

The Scriptures proclaim the Sanctity of Life. They tell us that God is the author of Life, from the moment we were first formed in our mothers' wombs to the day of our last breath, and that we are saved and redeemed by Christ and given abundant Life through Him.

The culture denigrates the Sanctity of Life. It tells us that God doesn't exist, that the unborn are just clumps of cells and the elderly a burden on society, and that we have no meaning in life beyond earthly, temporary pleasures.

But we know the Truth, as it is spoken in the Holy Word of God. The question is: What is the Church going to do about it?

Anglicans for Life is here to help you take what you know about Life and put it into godly action. AFL provides educational materials to inform your mind and practical action ideas to move your hands and feet. We don't want the Church to be filled with people who just believe in the sacredness of Life - we want to see God's people take action!

Anglicans in Action – This is a weekly video series featuring AFL President Georgette Forney, which provides suggestions, resources, and ideas for life ministry. Visit AFL's YouTube Channel to watch all the videos:

So, Church - what are we going to do to serve Life?
