

LIFE SYMPOSIUM

SPEAKER

STEPHANIE GRAY,
AUTHOR AND SPEAKER

STEPHANIE GRAY

Stephanie holds a Bachelor of Arts in Political Science from UBC in Vancouver and a Certification, with Distinction, in Health Care Ethics from the NCBC in Philadelphia. She is an international speaker from Canada who has given over 800 presentations since beginning her full-time pro-life career in 2002, at the age of 21. Much of Stephanie's media experience was gained from serving as Executive Director and Co-Founder of the Canadian Centre for Bio-Ethical Reform for 12 years.

In 2017, Stephanie was a presenter for the series "Talks at Google," speaking on abortion at the Google headquarters in Mountain View, California; within six weeks of the recording being uploaded to Google's YouTube channel, it generated 100,000 views. Stephanie is author of *Love Unleashes Life: Abortion and the Art of Communicating Truth*, which focuses on how we can winsomely engage the culture on abortion.

Stephanie will be speaking on the idea of communicating the truth about abortion through kind and compelling conversation, especially with people who don't agree with us. She argues that pro-life apologetics are essential to these conversations, so that, through our love, we may protect God's gift of life.
