Dear Prayer Partners,

3/26/2020

I write this letter to you during strange times indeed. During this outbreak, the world as we know it feels like it has come to a stop. But we at Anglicans for Life are doing our best to keep our doors open and serve the Church, even during this pandemic. And we want to update you on what AFL is going to be doing (God willing!) in the coming weeks and months, so you can be in prayer.

First, please be in prayer for our nation and world, for those suffering from Covid-19 and are quarantined. We are especially mindful of the needs of elderly people, who are at greater risk of sickness and death, and of single moms who are struggling to continue working while their children are home from school or daycare. Please be in prayer for these folks, that these measures would shorten the duration of the quarantine and save lives. Also be in prayer that the Lord would show how God's people can be working to serve these individuals during this time of fear and uncertainty.

ing the term, June 1-5th, that the Holy Spirit would guide my words and provide wisdom in answering questions and engaging Second, please be in prayer for me. I've been given the opportunity to teach a five-day course at Trinity School for Ministry future Trinity graduates. But I've never taught a course before, so this will be new territory for me. Please be in prayer durwith AFL Board Member the Rev. Ross Blackburn. The course is called Ten Words of Life: The Witness of the Ten Commandments in a Culture of Death. I'm excited about this opportunity to talk about life issues and make connection with in helpful discussions.

Bookkeeper Darlene and Administrator Robin, are planning on stepping down. I am including the job descriptions below. Georgette@AnglicansforLife.org or 412-749-0455. Both positions require their presence at our Leetsdale, PA office. Finally, please be in prayer for Anglicans for Life as we seek to fill two open positions. Two long term employees, If you know of someone who would be interested in either position, please have them communicate with me at

During these uncertain times, we put our trust in the most certain of all truths—that God is good, that He has control over everything, and that His plans are perfect. I hope you are living out that certainty with us.

Blessings,

Deacon Gengle
