Dear AFL Prayer Team Member,

Thank you so much for faithfully praying for Anglicans for Life, our new staff, and the myriad of ministry needs that we outline each month in our prayer calendar.

As our new team settles in their positions, please continue to pray for them, especially as they become comfortable with the tasks, that they would be able to now absorb and strengthen their understanding of all the life topics we address.

I am also excited to report that since our last letter, both Rachel and Sammie have had their babies! Both babies and mummies are doing well, and we praise God for these new lives – may they both grow to be mighty warriors for the Lord of life! Rachel gave birth to Isaiah Charles, on July 21<sup>st</sup> and Sammie gave birth to Ofelia Esther on August 24<sup>th</sup>. Thank you for praying for them – I know the new mummies appreciate your prayers, too.

Also, we give praise for the Lord's guidance for Robin and her husband, as they have found a beautiful house and will close on it September 25th. Also, Darlene has made a full recovery from her hip replacement surgery!

We also give thanks for our new Chapter at St. Michael's Anglican Church, in Charleston, SC, which has formed since our last letter! As AFL seeks to equip God's Church for life-affirming ministry, every new chapter that is created is so encouraging. May the Lord continue to multiply the number of churches developing and growing outreach and ministry in the name of the Lord of Life.

Never wanting to get bored... I am putting our new team to the challenge, as we have prayerfully made the decision to re-design AFL's annual Summit that we hold in Falls Church, VA prior to the March for Life. In 2021, we will offer SUMMIT 2021 as a virtual SUMMIT, which will allow folks nationwide to attend and participate. We anticipate offering "Watch Parties" which Chapters and Life-affirming Churches can host. We are still working to finalize the design and schedule details *and* identify the right vendor to provide the platform we will need to make the conference interactive, engaging, and life changing! We will still be offering the Friday morning worship service before the March for Life at Falls Church Anglican, and the buses will still leave from the church to take folks in and out of Washington, DC for the March.

I covet your prayers over this project, because in addition to pulling all the programming, speakers, marketing, registration, and other details together, we must raise the funding to underwrite it! I have always believed in the adage "what God ordains, He provides for", so we are going forward with plans, trusting that God will provide!

Finally, please know that I am also praying for you daily, asking the Lord to provide for your needs, safety, and good health *and* giving thanks for your faithful intercession for Anglicans for Life and our mission.

For His glory,
