Dear Anglicans for Life Prayer Team Members,

As members of the Anglicans for Life Prayer Team, I am so grateful you understand the importance of taking time in the presence of the Lord to bring our prayer requests before Him daily.

We see your prayers being answered in many different ways. We have more churches reaching out to us to establish partnerships in life ministry. We have had more Chapters start this year than ever before. We are finishing 2020 in good financial shape. We have successfully transitioned new staff and are working to equip more life-affirming churches. God's loving presence is clearly with us in our daily ministry, and I have enjoyed fabulous conversations with people seeking to learn about Anglicans for Life.

Thank you for faithfully keeping this ministry and all our work to end abortion and euthanasia daily before our great God.

I am excited about the new year ahead of us and I can't wait to see how the Virtual SUMMIT and ySUMMIT (for youth) will impact the number of people we can equip in 2021 for life-affirming ministry. So, in addition to the daily prayers shared in the attached prayer calendar, I do ask that you would join the AFL staff in praying for the following special SUMMIT needs:

- All the details surrounding the SUMMIT & ySUMMIT to be completed in a timely manner.
- Wisdom to discern what does and doesn't need to be done.
- The Holy Spirit would get promotional information in front of all the people God is calling to attend so they can sign-up and participate in the 2-day virtual SUMMIT/ySUMMIT.
- Jim, our video editor to get all the speaker presentations produced and ready for viewing.
- Effective and life-changing ministry would be borne out of the SUMMIT/ySUMMIT, the presentations, conversations, messaging, and focus on the sanctity of life, would impact ministry both to those in the church as well as those who need to know love and forgiveness of God in every community.
- Once the SUMMITS are over, we would effectively handle all the follow-up details to help churches.

I also ask for prayer for me - that I can keep my eyes and heart focused on the Lord. Some days I feel like He shows me what to do step by step, while other days I run out in my own strength, thinking I must do it all, myself, my way! It is in planning events like the SUMMITS, that my independent nature tries to handle everything, forgetting I am dependent on God and interdependent on others. I want to enjoy the process, not just attack the list of tasks that need to be done!

Most of all, I want God to be glorified and His Kingdom served. Thank you for praying and I look forward to sharing more answered prayers in our next calendar! Blessings for Life,
