

December 23, 2021

Dear Anglicans for Life Prayer Team Members,

By the time you receive this letter, Christmas Day celebrations will be a memory and 2022 will be ready to make its debut! I'm glad the Lord holds our future in His loving arms.

I was looking back in my journal this morning, reading entries from 4 years ago when Jim (my husband) had quadruple by-pass surgery, a friend wrote to me: "Know that everything that God allows in your life originates from His love for you."

As we stand at the door of another new year, those words provide fresh comfort, especially as we experience month 22 of COVID-19 masks, mandates, vaccinations, and deaths. We need a lot of His love as the world faces so much pain and grief from unexpected deaths and crisis.

The new year also means that all of us here at Anglicans for Life have entered the home stretch of SUMMIT planning! I am so grateful for Anna, Lori, Kristen, Sammie, and Robin, as we work together to manage the myriad of details that surround the Youth Summit (Thursday evening), the Worship Service and March for Life (Friday), and Life SUMMIT (Saturday) all of which will be done both in-person and virtually this year!

Please pray for travel mercies for all attending the events, all the details to be handled wisely, good weather throughout the four days (including Sunday – when we drive home), and most of all that the seeds of life-ministry would be planted in the hearts of people attending the events – so when they go home, they will heed God's call to serve Him and bear life-affirming fruit for His kingdom.

As Anglicans For Life continues to grow as a Life-Affirming ministry and the go-to resource in the Anglican Communion, we recognize it is critical to increase the role of prayer in our daily endeavors to protect life. While Satan ramps up his efforts to destroy life as seen in our current culture, we must also intensify our intercessory prayer! Currently, AFL has 866 members on our Prayer Team. We want to increase that number by 100% *and* develop a special SWAT (Spiritual Warfare AFL Team) to intercede in special or critical circumstances. Our upcoming Life SUMMIT 2022 is a great example of a special circumstance in need of focused prayer.

Please consider joining SWAT, and pray for our upcoming Life SUMMIT activities and post-SUMMIT ministry development. You will receive specific prayer requests via email to intercede during your personal time with the Lord. I also encourage you to invite other members of your church family to join our Prayer Team!

Thank you for considering this special assignment, and if so led, please email Lori at [Admin@AnglicansForLife.org](mailto:Admin@AnglicansForLife.org) and she will include you on our SWAT specific communications. Prayer is the greatest tool in protecting life, and it is an honor to advocate before God for life!

In addition to the SUMMIT prayer needs, I encourage you to pray for the US Supreme Court *Dobbs v. Jackson Women's Health* case. While I hope this case will overturn Roe, it could also limit abortions to 15 weeks which would make overturning Roe harder, may God's will be done.

And we praise God for bringing a new AFL Chapter into existence in Phoenix, AZ, and nine churches have signed on as Life-Affirming Churches! Please continue to pray for our Chapters as they work to restart their ministries after Covid put a damper on activities, attendance, and interest in life-affirming outreach.

In closing, thank you for caring about life and AFL's ministry and for taking time to pray for everything on the enclosed calendars! Happy New Year!

Blessings for Life,
