
ACNA CANON – TITLE II

Worship and the Administration of
Sacraments Canon 8 Standards of Sexual
Morality and Ethics.

SECTION 3:

God, and not man, is the creator of human life. The unjustified taking of life is sinful. Therefore, from conception to natural death all members and Clergy are called to protect and respect the sanctity of every human life.

SECTION 4:

The Church is called upon to show Christ-like compassion to those who have fallen into sin, encouraging them to repent and receive forgiveness, and offering the ministry of healing to all who suffer physically or emotionally as a result of such sin.

Praying for *Life*

1. For children in the womb, that their parents would choose life and that abortion would become unthinkable.
2. For women and men who have been impacted by abortion, that they would find healing in Christ.
3. For the elderly and vulnerable, that they would not fall victim to assisted suicide or euthanasia, and that legislative attempts to legalize both would be stopped.
4. For children in need of adoption and parents desiring a child, that loving families would be made and that the birth mother would find peace in choosing life.
5. For the Church, that we would boldly celebrate, honor, and protect life and proclaim Christ's victory over sin and the grave.
