A Note From AFL's President

Dear Friend,

Thank you for reviewing our resource catalog. This catalog is filled with Life-Affirming resources specifically designed to help you teach, preach, and promote the Sanctity of Life worldview.

Anglicans For Life is the only ministry in the Anglican Communion dedicated to equipping the Church for Life-Affirming ministry, education, and biblical advocacy. We seek to make abortion unthinkable and unnecessary by providing the Church, women, families, and individuals with the economic and spiritual support they need to not only survive but also thrive. We continue to work to end euthanasia while promoting abstinence and adoption. We pray more churches will establish Life-Affirming ministry through our Chapter and Life Leader models and the Life-Affirming church process.

We publish all of our resources online and in print which means every brochure, booklet, and handout listed in this catalog can be viewed and downloaded online as a PDF file.

Life issues are at the heart of Creation and the Gospel. It is imperative for the Church to speak, preach, and educate everyone about the sacredness of life. Anglicans For Life wants to be your go-to resource to help you serve God for life.

For His glory,

Canon Georgette

Lord God,

Thank You for creating human life in Your image.
Thank You for my life and the lives of those I love.
Thank You for teaching us through Scripture the value
You place on life. Help me to uphold the sanctity of life
in my church and community. Give me the strength to
stand up to those forces that seek to destroy the lives
of those most vulnerable, the unborn, the infirm and
the elderly. Today I commit myself never to be silent,
never to be passive, never to be forgetful of respecting
life. I commit myself to protecting and defending the
sacredness of life according to Your will, through
Christ our Lord.

Amen.
